

Committee for Damage Prevention

Date submitted:

The CDP is a forum to discuss and education how the damage prevention system in Wisconsin works. The CDP is not a forum to discipline or mediate specific claims. The CDP will hear complaints that deal with a trend of abuses to the system, not a one-time grievance. The aggravated party must bring it to the other party's attention first, and document the communication. If that fails, fill out the form below.

Submitter Information		Offending Party Information	
Name(s):		Name(s):	
Company:		Company:	
Phone:		Phone:	
Email:		Email:	
CallerID:		CallerID:	
Brief Description of Trend Affecting Damage Prevention			
Ticket Numbers Involved			
Detailed Description of Incidents			

Is this matter under a current damage investigation(s)? Yes No

There is no guarantee of response. We appreciate any input, and if further action is to be taken, you will be notified. Return form and documentation by fax to (262) 782-7167 or to CDP@diggershotline.com
