## THE DISCLAIMERS

### 10 CALENDAR DAY STATEMENT:

"If you do not begin your work within 10 calendar days of the start date and time or if your work is interrupted for more than 10 consecutive days, the marks will no longer be valid until you have requested and received a relocate for the area."

### RELOCATES (LESS THAN THREE BUSINESS DAYS):

"The member or members in question should respond by telephone as soon as possible or by the start date/time, whichever is later, to indicate when the facilities will be remarked. No matter how the start date and time may read on the ticket itself, you will NOT be clear to dig until ALL facilities at the work site have been marked by member companies."

### EMERGENCY STATEMENT:

"The member or members in question should respond by telephone as soon as possible or by the start date/time, whichever is later, to indicate when the facilities will be marked. No matter how the start date and time may read on the ticket itself, you will NOT be clear to dig until all member companies have responded in some fashion. In addition, excavating without waiting for member companies to respond and/or locate could result in you being liable for any damages that may occur."

### 18 INCH STATEMENT:

"Utilities will mark the area using color coded paint and flags. You need to stay 18 inches away on all sides of any markings with any power equipment used in the work. If you need to go closer, use hand-tools only and dig very carefully."

### PRIVATE LINE STATEMENT:

"Lines owned by the property owner such as many propane lines, sewer and water laterals or yard lighting will not be marked by the utilities."

### OVERHEAD LINE STATEMENT:

"OSHA requires that you stay at least 10 feet away from distribution lines, up to 16 feet away from transmission lines and 20 feet away from any lines with equipment covered under the 2010 OSHA Crane Standard. Contact the owner or operator of the overhead line(s) if necessary to ensure required working clearances are maintained."

### PLANNING PURPOSE STATEMENT:

"This ticket is only for planning purposes. You are not legally clear to dig on this ticket. A standard locate request must be filed at least three business days prior to excavation."
